

CONGRATULATION LETTER TO ICD USA SHOW TEAM

Paris, September 2009

Dear Intercoiffure Friends,

Let me find the words to express my satisfaction and the great pleasure I had meeting you all in Paris at our outstanding events: the **Night of the Stars** and the **Mondial Performance 2009**. Both of them have more than before become a milestone in the history of Intercoiffure Mondial and a real show window of our craft.

A great part of this tremendous success is due to you and your brilliant show: *"AN AMERICAN IN PARIS"* presented last September 13th. The seats were all occupied and the whole audience was utterly delighted.

Therefore, in the name of Intercoiffure Mondial, I wish to thank you for your presence and for your excellent work. Our thanks also go to your team members and **every single person** involved in your presentation and its preparation.

I wish to inform you as well that a **Certificate of Participation** will be delivered to each hairstylist who performed on the stage of the CNIT-Paris La Défense. This is simply an honour for us to offer it to them.

I sincerely hope to work with you in the future again and extend this great idea of live streaming to our next events.

Congratulations!

With cordial greetings from Paris,

Klaus Peter Ochs
Intercoiffure Mondial President
